## **What was your motivation to become a PGA Professional?**

I attribute many great things that have happened to me to the Game of Golf. Becoming a PGA Professional was the best way I could come up with, to help the quality of life for others.

## **What is your specialty in the golf business?**

My specialty is having the ability and desire to be aware of the needs of my members.

## **What was your greatest moment in golf?**

While working at Muirfield Village, one evening after The Memorial Tournament, I ran into Mr. Jack Nicklaus. He asked me for a ride home and then invited me to meet his family.

## **What or who has had the greatest impact on your career?**

My college teammate and dear friend, Jeff Kiddie (Head Professional at Aronimink Golf Club), talked me into becoming a PGA Professional, and has been a model of professionalism ever since.

## **Besides golf, what else do you enjoy?**

I love all other sports. I also enjoy cooking and anything that has to do with the beach.

## **If you could play any golf course in the world, which one would it be and who would complete your foursome?**

Easy question. Augusta National, with my uncle (Steve Bosdosh), close friends Jeff King, and Jeff Kiddie.

**If you could give lessons to anyone in the world who would it be and what advice would you give?**

I would give lessons to Juniors that are playing in lots of event and very serious about their game. I would advise them to take the time to enjoy the places they are playing and cherish the relationships they are building.

**What is your favorite golf instruction tip?**

While gripping a 7 iron, take your pinkies off the grip and hit balls off a tee. This releases the tension and allows the student to feel the weight of the clubhead working.
